Vocabulary Scavenger Hunt

When the clock starts, count how many vocabulary words you can find on your Self Reflection Chart. Record the standard on your dry erase board. You will earn one team point per word that you find!

1st Place = 5 bonus points

2nd Place = 2 bonus points

Act It Out!

Your group will be assigned a vocabulary word. You have 2 minutes to create a skit. During your skit, your classmates will write down group guesses on dry erase boards. You get one team point per correct guess!

Draw It Out!

You will now draw pictures for each of the vocabulary words on your chart. If you do not finish, you need to complete the task for homework.
